

Mum: (signified by Apron) David, could you clean up your toys please...

David: (keeps playing with toys)

Mum: Come on David, please clean up your toys, dinners nearly ready...

David: (really plays hard with his cars and trucks)

Mum: David! Why won't you listen to me...? It's time for dinner
- you don't want to go to the naughty corner do you?

David: Oh come on mum... I don't have to listen to you...

Mum: Of course you have to listen to me David, I'm your mother and I love you

David: But one of my friends said Jesus ignored his mum and family so I can ignore mine!

Mum: Jesus doesn't want you to ignore your mum and Dad David...

David: Yes he does, my friend said

Mum: Well your friend's missed the whole story...
- Jesus doesn't want you to ignore your mum and dad
- He just wants you to know being part of God's family is most important...

David: How can I be part of God's family

Mum: When you're friends with Jesus you're part of God's family

David: Wow... so if I'm part of God's family... does that mean you're not my real mum?

Mum: NOOOO! That's a bit silly David... when you're part of God's family
- it means you live God's way
- And do you know part of living God's way... is loving your mum and dad?

David: So I should listen to you then mum...?

Mum: That would be good David... now put your toys away and get ready for dinner

David & Mum: (pick up toys and walk out the back door)

Leader: David thought Jesus wanted us to ignore our family!
- That's a bit silly...! Jesus doesn't want us to ignore our family...
- he wants us to realize being part of God's family is the most important thing

That means being friends with Jesus ... and living God's way is so important
- which means not ignoring but loving our mum and dad
- Because being part of God's family is the most important thing of all
