

Hey John what are you doing?

I'm just making myself a sandwich with these two pieces of bread...oh no! one of these pieces has tiny bit of mold on it! What should I do - the whole sandwich is ruined...

Don't worry John... you can just cut the mouldy bit out... now it's okay to eat

Hey Terry... we learnt today in kids church we can't be friends with God cause of our sin

That's right John... you're a bit like a moldy piece of bread when you sin... just not good enough for God

I know Terry why don't we just cut my sinful bits out

What do you mean by sinful bits John...?

Well today... I snatched my brother's toy off him with this hand... maybe if we cut this hand off I could be friends with God

I don't think it works like that John...

Yeah Terry, just like the bread... I'll cut all my sin out... I know... I kicked my brother this morning so I'll cut this leg off

You'll cut your leg off John...?

Yeah Terry... I want to be friends with God... and I want to get rid of all my sin... Oh no! I just remembered I got cranky at my mum this morning and I thought really naughty things about him... I'm gonna have to cut my head off Terry!

John... that's silly... if you cut off all the bits of you that sin... there will be none of you left to be friends with God!

Oh wow... how can I be friends with God then Terry... It's like I need a spare body!

You know John... you don't need a spare body to be friends with God... all you need to do is trust in Jesus

Trust in Jesus Terry? How's that gonna help me...

Well he did a big swappo- you're body for his - your life for his... he died on the cross... so you can be friends with God

You mean Terry... that Jesus dies for my sins to make me friends with God?

He sure did John... & all you need to do to be friends with God... is be friends with Jesus...

Oh thank goodness Terry... I can put this saw away then... ye John... just trust in Jesus.
