

Responsibilities of Growth Groups to our Pastoral Care Groups

P – PRAYING regularly for them

A – Being AVAILABLE to them

C- CONTACTING them; and

E – Striving to be an EXAMPLE

This will include:

- a) keeping an eye out for them at church
- b) relaying prayer points to Paul
- c) contacting others in your group if a meal needed
- d) contacting them by phone or in person at least once a month
- e) encouraging them to keep plugged in.

Remember any concerns or issues or crisis that you feel Paul should know about then just give him a ring or organise a time to visit and talk with him.

Some Suggestions?

A) Work out a plan for your Growth Group to pastorally care for each other and for your pastoral care people.

B) Maybe adopt a person from your pastoral care list or assign them to someone within your growth group.

c) Invite the people on your Pastoral Care list to social nights that your group puts on.
