Serving in love, one another and the community by the power of the Holy Spirit to the glory of God

Connect

At Evans Head Presbyterian Church we're on about connecting: connecting with God and connecting with others. That's why we're all about Jesus. That's why we're especially all about the death of Jesus on the cross for the forgiveness of our sins and the reality of His resurrection. Jesus is the connection. The cross of Jesus is the connection. It's only through the cross of Jesus that we can connect to God, knowing his love and forgiveness. And it's only through the cross of Jesus that we can really connect with each other. Being forgiven the same way - only through Jesus - truly brings us together, whoever we are, whatever our background. Our main place to do this is church but we will also run separate events to give opportunity for our community to connect to God.

Grow

At Evans Head Presbyterian Church we're on about growing: growing our relationship with God and growing our relationships with each other. Having connected to Jesus as our Saviour, we want to grow with him as our Lord. And we don't want to do that one-out, but in true friendship with others who call Jesus Lord. We desire to be changed internally as the Holy Spirit applies God's word to our lives. We want to grow in our love for Jesus and our love for each other. That's where our small groups come into the picture.

Serve

At Evans Head Presbyterian Church we're on about serving: serving God, serving others and serving our community. Having connected to Jesus as our Saviour, and growing with him as our Lord, we want to be like him in serving others. As we connect to each other and grow together in Jesus, we want to serve each other and the community around us by the power of the Holy Spirit to the glory of God. That's where our ministries come into the picture.

Connect. Grow. Serve. It's all about Jesus.
