

PRAYER POINTS

- **Ask God to help us** work together to see the gospel of Jesus spread.
- **Give thanks to God for school holidays.** And pray for students, teachers, and particularly RE teachers as a new term begins.
- **Continue to pray for Rachel** as she prepares to leave for Eurasia. Pray too for Denis and Khadzhat as they return to Bible college in Victoria.

- **Pray for Rachel Enchelmaier** as she begins her final semester at Sydney Missionary and Bible College.

Where are the toilets?

Good question. The toilets are not easy to find, so perhaps this map will help.

Church over the next few weeks

Next week we will begin a 7 week series of talks looking at the OT book of Isaiah. We'll also be studying Isaiah in Growth Groups (but not the same passages).

19 July Isaiah 1:1-2:5 "God's plan for Jerusalem & the nations"

26 July Isaiah 2-4 "Stop Trusting in Man"

...

Why not buy Barry Webb's commentary and have a read. I'm serious, it's a good read. It's in "the Bible speaks Today" series published by IVP.

Fellow-workers for the Gospel

Romans 15:14-16:27

1. Ambitious plans for the spread of the Gospel

2. Struggling for the spread of the gospel

3. Team-work and fellowship in the spread of the gospel

4. Does all that describe us?
