At church in the next few weeks...

Over the next few weeks we'll be hearing about what the devil doesn't want you to know – life in Jesus name. **John chapters 13-17** contain Jesus' last words to his disciples before his death. In the final hours he shared with his disciples what life would be like for them after his death - lives lived in the power of his Spirit. It would be an era when his followers would live radical, world-confronting, God-honouring lives characterised by answered prayer and fruit bearing witness, **a life you will have if you truly love Jesus.**

Signs of Life

John 20:24-31

2. But Jesus says you don't have to see to believe...

(v29)

3. and John says he's given us evidence so we can believe.

(v30-31)
